

**ATTENTION: SMALL EMPLOYERS (THOSE WITH LESS THAN 8 REGULAR EMPLOYEES) SUBJECT TO HAWAII'S PREPAID HEALTH CARE (PHC) ACT, CHAPTER 393\*, HRS**

A special fund for health care premium supplementation is available to employers who meet the criteria established under Section 393-45, HRS. A claim for premium supplementation must be filed with the Department of Labor and Industrial Relations within two years after the end of the employer's taxable year.

Section 393-45 of the PHC Act specifies that an employer is entitled to premium supplementation if the employer satisfies **all** of the following qualifying conditions:

1. Employer employs less than eight employees entitled to PHC coverage.
2. The employer's health care plan is approved under Section 393-7(a) of the PHC Act.
3. Employer's share of the premium cost for eligible employees (single coverage only) exceeds 1.5% of the total wages payable to such employees and the amount of such excess is greater than 5% of the employer's income before taxes directly attributable to the business.
4. The fund will not supplement employee's share of the premium, dependent's coverage and the additional premium cost for the more expensive plan should the employer have more than one plan.

If you meet the above criteria, contact the Disability Compensation Division at (808) 586-9199 and ask for Form HC-6, Employer's Request for Premium Supplementation.

Complete Form HC-6 and return it with the following documents:
